### Embase content

#### List of journal titles in Embase

Embase provides unparalleled coverage of the biomedical literature, with 37.2 million+ records from almost 8,100 currently published journals. Embase includes six million+ records and 2,900+ journals that are not covered by MEDLINE. Also, Embase Classic provides access to data going back to 1947.

↓ [Download the full list of journal coverage in Embase \(XLSX 781.2 KB\)](#). If you would like to suggest a journal title for inclusion in our database, please let us know by filling in [this form](#).

#### List of conferences covered in Embase

Embase includes conference abstracts from important biomedical, drug and medical device conferences dating back to 2009. It currently indexes 11,500+ conferences covering over 3.6 million conference abstracts-advanced information that can't be found searching MEDLINE alone.

## Embase journal selection procedures

Embase provides researchers with confidence that they've found all the essential biomedical evidence thanks to comprehensive, up-to-date and evidence-based content. To remain covering the most important international biomedical literature and to remain the biggest biomedical database available Embase welcomes librarians, journal publishers, editors and medical associations to submit their titles. Recommendations for new journal titles may be made by making use of the [Journal Title Suggestion form](#) or visit the [journal title suggestion form in Chinese language here](#).

Thank you for your suggestion of a new journal title in **Embase**.

New title suggestions received before 1 October each year are reviewed towards the end of each year, and selected journals are added to **Embase** during the first quarter of the new year. We will inform you of the decision at latest by 1 April, but in most cases well before this.

If you wish to be informed of progress with your application in advance of that date, we encourage you to get in touch with our Content Coverage Team at [bdsourcacquisition@elsevier.com](mailto:bdsourcacquisition@elsevier.com). Details of our journal selection procedures are also available on request from the Content Coverage Team.

With best regards,  
Embase

# Balasan – 13 Januari 2020

Ganesan, Bhuvaneswari (ELS-CHN) <B.Ganesan@elsevier.com>

to me

Borneo Journal of Pharmacy is accepted for coverage in Elsevier product(s).

Dear Madam/Sir,

Elsevier is happy to inform you that the above-mentioned title has been accepted for coverage in selected Elsevier product(s) starting with 2019 material.

We intend to index and extract data from the full text article and integrate such data in these product(s). Note that we never make the full text available to our customers or other third parties, although we require access to the full text for purposes of indexing and extraction. Using sophisticated linking technology, we refer our users back to your online platform to access the full-text or to view purchasing information (depending on the entitlement of the user) thus ensuring that coverage in Elsevier products enhances user traffic to the content on your platform.

Elsevier products are used by leading research institutions, government organizations, decision-making bodies, and corporate organizations around the world. Therefore, coverage of your title(s) in Elsevier products provides increased visibility and discoverability of your content.

Elsevier products have adopted formal content selection criteria and standards. By accepting your title for coverage in one or more of these products, we have determined that your title(s) meet these standards; and by granting us permission to have your title(s) covered, you in turn have confirmed your commitment to the highest possible publishing standards. We feel sure you will appreciate that continued coverage of your title(s) in Elsevier products does depend upon your continued adherence to that commitment.

Thank you in advance for your cooperation.

Yours sincerely,

Sophie Wolthers  
Director Publishing Relations  
Amsterdam

**Elsevier B.V.**

## Konfirmasi – 19 Mei 2019

**Mohammad Rizki Fadhil Pratama** <mohammadrizkifadhilpratama@gmail.com>

to Bhuvaneswari, s.wolthers, wolthers ▼

📧 Jan 13, 2020, 5:59 PM

Dear Sophie Wolthers,

Thank you very much for your email.

We are very happy that finally Borneo Journal of Pharmacy can be indexed in Embase Elsevier.

Herewith I send back the form that we have filled.

Please provide further information on what we should do.

Best regards,

## Konfirmasi – 10 Februari 2020

**Ganesan, Bhuvaneswari (ELS-CHN)** <B.Ganesan@elsevier.com>

to me ▾

Feb 10, 2020, 4:06 PM

Dear Mohammad Rizki, If I may,

Thank you for your confirmation. We are glad to receive your contents online, I believe your content is available for processing hence there is no actions required from your end.

We will process them as and when they are available online.

Regards,  
Bhu
